

DR. FOAM

ANTIBACTERIAL FOAMING HAND WASH

DESCRIPTION:

Dr. Foam is an antibacterial foam soap formulated with moisturizers and conditioners. Contains no Triclosan. This foam soap will deliver a rich creamy lather with every push of the dispenser. A generous portion of foam is dispensed so users are able to enjoy the feel of the foam and the way it cleans. Dr. Foam has added germ killing power & a pleasant cucumber melon fragrance. The Foam delivers more per pump than liquid hand soaps. Excellent for medical facilities, offices, educational institutions, and more! Repeated use will leave skin smooth rather than dry and cracked. Designed to fit our Dr. Foam Dispenser which is available in two colors:

- White (SKU:ACC1411)
- Black (SKU:ACC1412)

FEATURES & BENEFITS:

- **Ideal for use where bacteria reduction is a concern.**
- **Scented with a light cucumber melon fragrance.**
- **Formulated with collagen to moisturize the skin as you wash.**
- **Active ingredient: 0.25% Chloroxylenol.**
- **Easily dispensed for an enjoyable handwashing experience.**
- **Keyless locking dispenser available in black or white.**

- **Factory sealed pouches so there is no chance for contamination.**
- **Pump comes with every 1,000 ml pouch.**
- **Economical: Delivers more than 1,300 handwashes.**

DIRECTIONS:

1. Install dispenser using either the double sided industrial sticker or mounting supplies (all supplies included).
2. Remove protective cap from Dr. Foam bag.
3. Place bag in dispenser and nozzle in the correct position (instructions included).
4. Shut the dispenser and prime with 3 pumps.
